Web Page: Dave Schank KA9WXN
Yahoo Group: Dave DeFebo WB9BWP

Next Meeting:

April 25, 2019 — ARISS Project Status Report & Equipment Show & Tell.

NOTE THE LOCATION!

HRO Store Classroom, 5710 W. Good Hope Rd, Milwaukee.

NOT AT THE CHURCH!

The April meeting is also supposed to be elections. Would you like to run for an office? Think about it.

This "newsletter" is just an experiment. As stated above, it will be published sporadically, just often enough to bring the membership timely announcements regarding club activities and business. Also be sure to check out the club nets for any important news. Do you have some info that should be here? Better yet, would you like to take responsibility to produce this (and get your name in the above list)?

Upcoming Events:

April 25—Meeting—ARISS Project Report and Demo—**NOTE THE LOCATION—**HRO Classroom!

May 18—HRO Parking Lot Swapfest

May 30— Meeting - AUCTION!

June 21—Field Day Setup

A number of organizations provided prizes for the **MRAC / MAARS Hamfest** which took place March 23, 2019 (that is besides the clubs themselves which provided the grand prize, a Yaesu FTM-3200 2M Analog and Fusion Transceiver). The clubs wish to thank the following for their support of our hamfest and encourage our membership to support their business.
